

# Free Publicity for Palm Beach County Bands and Solo Musicians!

We have over 1000 Live Music Fans visiting our website every month; make sure they notice YOU when they visit!

Here's 8 ways to use our website [www.LocalMusicFinders.com](http://www.LocalMusicFinders.com) and Facebook [facebook.com/MusicFindersPalmBeach/](https://facebook.com/MusicFindersPalmBeach/) to publicize your band:

1. Send us an interesting PHOTO of your band. We have over 60 Band Pages listed and have room for more! Your Band Page will include your photo and links to your Website, Facebook, Reverb page or whatever.
2. Go to your Band Page and leave some comments, and get your friends to do the same.
3. Tell us something interesting about your band that we can share on our Musician News page or in a Newsletter.
4. Sign up for our Newsletters to keep in touch.
5. Tell us about all your upcoming gigs so we can get them on our Live Music Calendars. You can email us at [john@bestmusictonight.com](mailto:john@bestmusictonight.com) or use the SUBMIT YOUR EVENT link on our website.
6. LIKE our Facebook and LIKE our posts whether it's your band or not! Make sure you are set up as an Administrator for your band's Facebook page and COMMENT as your band so others will see it and can follow the link back to your page.
7. Get us some freebies to hand out at our publicity displays at green markets, etc. A few T-shirts or CD's will get your band name noticed by hundreds of potential fans!
8. Let us know about SOMETHING SPECIAL about any of your gigs, and we'll feature it as a "Best Bet"! A new CD, a new band member, even new songs, special drink prices when you're playing, etc. would qualify.

We're here to promote the local Music Scene, and that means promoting YOU!
